**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Please do not dismantle the 1966 Telecommunications Act. This is critical to my home and connection to the world. I value my internet service as well as my choice to use a local provider. Please consider me when making this decision.

Thank you.
